The Show

Indian Machine Tool Manufacturers' Association (IMTMA) celebrated 50 years of its flagship IMTEX exhibition as it organized the 19th edition of IMTEX (IMTEX 2019) and 21st edition of Tooltech (Tooltech 2019) at Bangalore International Exhibition Centre (BIEC) from 24th to 30th January 2019 in Bangalore.

The exhibition attracted 91,446 visitors over a span of 7 days. Spread across 6 halls in an exhibition space of 80,000 square metres, IMTEX 2019 & Tooltech 2019 showcased technologies such as Additive Manufacturing and Industry 4.0 which are vital for moving manufacturing industry forward.

IMTEX 2019 featured participation from 1222 exhibitors. Overall, 26 countries participated. Seven countries China, Germany, Korea, Spain, Taiwan, UK and USA had group pavilions.

Inauguration

The exhibition was inaugurated on 24th January 2019 by Shri H.D. Kumaraswamy, Chief Minister of Karnataka, while Shri R.V. Deshpande, Minister for Revenue, Government of Karnataka, Shri K.J. George, Minister for Large & Medium Scale Industries, Government of Karnataka, Vikram Kirloskar, Vice President, Confederation of Indian Industry, and Ram Venkataramani, President, Automotive Component Manufacturers Association of India also attended the inauguration. Jamshyd N. Godrej, Chairman, Exhibitions - IMTMA, P. Ramadas, President, IMTMA, Indradev Babu, Vice President, IMTMA and V. Anbu, Director General & CEO, IMTMA were also present at the inauguration.

Outline of the Exhibition

Number of Exhibitors: 1222

Indian - 698 | Foreign - 524

Country Group Pavilions: 7

China, Germany, Korea, Spain,
Taiwan, UK and USA

Participating Countries - 26

Australia, Austria, Belgium, China, Czech Republic, France, Germany, India, Israel, Italy, Japan, Korea, Mexico, Netherlands, Norway, Poland, Russia, Serbia, Singapore, Spain, Switzerland, Taiwan, Thailand, Ukraine, United Kingdom and United States of America

Additive Manufacturing Expo

Pavilion: 21 exhibitors | Seminar: 110 delegates

Factory of the Future: Industry 4.0

Pavilion: 32 exhibitors | Seminar: 200 delegates

1000+ Machines on Display

Partner Associations / Institutions

- ACMA (Automotive Component Manufacturers Association of India)
- AIPMA (The All India Plastics Manufacturers' Association), India
- CII (Confederation of Indian Industry), India
- CMTI (Central Manufacturing Technology Institute), India
- DHI (Department of Heavy Industry), India
- Department of Industry and Commerce, Government of Karnataka, India
- NID (National Institute of Design), India
- SIAM (Society of Indian Automobile Manufacturers)
- TAGMA (Tool & Gauge Manufacturers Association), India

International Associations from 11 Countries

Belgium, China, Czech Republic, Germany, Italy, Japan, Korea, Mexico, Taiwan, United Kingdom and USA.

International Buyer-Seller Meet - 48 delegates from 13 Countries

i2 Academia Pavilion

50 institutions (33 outstation ones including IIT-Kanpur and IIT-Bombay and 17 Bangalore based institutions)

Jagruti - 30 students from 14 institutions

Quiz and i-Connect - 130 students from 24 institutions

Special Pavilions and Seminars

Factory of the Future (Industry 4.0)

The special pavilion as well as a seminar on Industry 4.0 was held during IMTEX 2019 & Tooltech 2019.

The seminar held on 25th January, 2019 presented a global and Indian outlook of Industry 4.0 offering a holistic understanding of the importance of IT infrastructure, data security and internet of things.

Pavilion had 32 exhibitors
Seminar attended by 200 delegates

Additive Manufacturing

The special pavilion as well as a seminar on this subject was held during IMTEX 2019 & Tooltech 2019.

Additive Manufacturing seminar was held on 26th and 28th January 2019.

Pavilion had 21 exhibitors

Seminar was attended by 110 delegates

Live Demo of Industry 4.0

To give the exhibition participants a clear roadmap on which technologies to adopt to benefit their organizations and how to implement them, IMTMA organized a live demo of a smart factory at its Technology Centre.

The event was held from 25th January to 29th January 2019.

Reminiscing 50 Years of IMTEX

Experience Zone: To commemorate IMTEX 50 years' journey IMTMA set up an Experience Zone adjacent to Hall 4 in BIEC. The Experience Zone showcased vintage machines from a bygone era, pictures and a short film on IMTEX 50 years' journey.

The IMTEX story
- A rendezvous with luminous
minds behind the brand

Felicitation of
Godrej Family Members

Felicitation of Past Presidents, IMTMA

Mr. G.A.R Shaikh - 1982 to 1985

Mr. Jamshyd N.Godrej - 1985 to 1987

Mr. R.Srinivasan - 1987 to 1989

Mr. Shailesh Sheth - 1993 to 1996

Mr. Bir D Singh - 1998 to 2000

Mr. G Shirgurkar - 2000 to 2002

Mr. V S Goindi - 2002 to 2004

Mr. C P Rangachar - 2004 to 2006

Mr. N K Dhand - 2006 to 2009

Mr. M. Lokeshwara Rao - 2009 to 2011

Mr. Vikram Sirur - 2011 to 2013

Mr. L. Krishnan - 2013 to 2015

Mr. P G Jadeja - 2015 to 2017

New Initiatives

Foreign Media Presence

- A group of 9 journalists from various countries were invited to IMTEX 2019.
- The objective of the visit was to acquaint them with Indian machine tool and manufacturing industries and broadcast the opportunities in India overseas.
- The foreign media journalists interacted with the office bearers of IMTMA.

International General Managers Meet

- IMTMA hosted the first International General Managers' meeting coinciding with IMTEX 2019.
- The meeting provided an apt platform for the industry to exchange ideas, share knowledge and network.
- The meeting was a successful forum for a productive discussion and dialogue between all machine tool associations for mutual benefit.

Eco Design Awards

- Eco design Award was initiated to "Promote sustainable lifecycle practices in exhibitions"
- Six companies were conferred with awards in various categories.
- Ace Micromatic Group, Dynascan Inspection Systems Company, ETA Technology, Manar Tools, Taegu Tec India, and THK India were conferred awards.

IMTEX TV

- For the first time, IMTMA set up IMTEX TV that live telecasted the events on the LED Walls put up across the venue.
- A full-fledged studio was set up, where the panel discussions, CEO talk, News of the day, Tech Talk etc., were telecasted throughout the event.
- IMTEX inauguration, seminar on Additive Manufacturing and Factory of Future, Industry 4.0 were also live streamed.

Parallel Events

International Seminar on Machining Technologies

- The 8th edition of ISMT held on 23rd January
- 'Powering Manufacturing Growth and Competitiveness' as its theme, the seminar was attended by around 350 delegates from 125 companies across industry sectors

International Buyer Seller Meet

- Organized by IMTMA and Engineering Export Promotion Council.
- 48 international buyers from 13 countries such as Czech Republic, Russia, Indonesia, Iran, Italy, Mexico, South Africa, Ukraine and Vietnam, amongst others, participated at this Meet.

i2 Academia Pavilion

- A record 50 institutions (including IITs) participated in the i2 Academia Pavilion.
- 33 institutions were from outstation and 17 were local.

Jagruti

- The 12th edition of "JAGRUTI - IMTMA Youth Programme" witnessed participation of students from renowned engineering colleges across the country.
- The two day initiative was an attempt to create awareness about the latest developments in the manufacturing industry.

Quiz Contest

- The inter-college Quiz contest on manufacturing technology for mechanical engineering students facilitated the students to understand, get acquainted with latest technologies emerging in manufacturing industry, and make them competitive and industry-ready.

Safe Driver Workshop

- As part of its CSR activity IMTMA conducted a Safe Driver workshop to inculcate best practices among drivers for driving on the roads and following traffic regulations.
- Around 500 drivers participated in this event.

Glimpses

With a newly constructed Fifth Hall, IMTMA was able to offer more space for exhibitors

Official inauguration of Hall 5

Mr. Rajendra Jain, Managing Director, ITL Industries Ltd., Indore was honoured with IMTMA - Premier Outstanding Entrepreneur Award in memory of Vinod Doshi

Planting of saplings to mark 50 years of IMTEX

Visitors engaged in business

IMTEX 2019 attracted large number of visitors from various industry sectors

Expressions

IMTEX is a great opportunity to closely get a grasp on Indian customers' needs as well as machine sales. This knowledge will help us in the development of machine tools for India.

Masayoshi Amano,
President, JMTBA

IMTEX has become a homing ground for business between machine tool suppliers and customers.

Dr. Wilfried Schafer,
Executive Director, VDW

IMTEX offers us a platform to display our technological capability, strengths and competence to the world. Each edition of IMTEX has pushed us towards the next level of performance and success, consistently being there as a guiding force.

P.G. Jadeja,
Chairman & Managing Director,
Jyoti CNC Automation Ltd.

India has been a very important market for Spanish companies of advanced manufacturing technologies... It is no surprise that IMTEX is a prime platform for showcasing Spanish machine tools in India, which has the support of ICEX, Spain Trade & Investment and the Economic & Commercial Office of Spain.

Vanesa Alvarez Franco,
Economic & Commercial Counsellor,
Economic & Commercial Office of Spain

I would like to congratulate IMTEX for its golden jubilee year. The show is definitely grander than ever. I commend IMTMA on its initiative of having a special pavilion on Additive Manufacturing and raising its awareness among participants as it is the future of manufacturing.

RSS Sathish Babu,
Director, Subas Foundry

IMTEX is positioned as the most professional machine tool industry exhibition in India. We expect IMTEX 2019 to further enhance the connection between Taiwan companies and local customers.

C.C. Wang,
President, TAMI

IMTEX is the mother of all trade fairs in India. It offers a great opportunity to demonstrate our latest solutions available for current dimensional metrology issues.

Anil Gupta,
Managing Director,
APM Technologies 3D Pvt. Ltd.

I feel proud to be at IMTEX in its golden jubilee year. I have come here with the aim to check out the latest technologies of certain specific automation vendors. It is an extremely well-organized trade show and a great source of knowledge.

Vivek L. Joshi,
Director, Pentaco Automation Pvt. Ltd.

With every passing year IMTEX is becoming increasingly better. In certain areas, IMTMA has made the trade event better than any other large-scale international show.

Rajesh Khanna,
Executive Director & CEO, Wendt (India) Ltd.

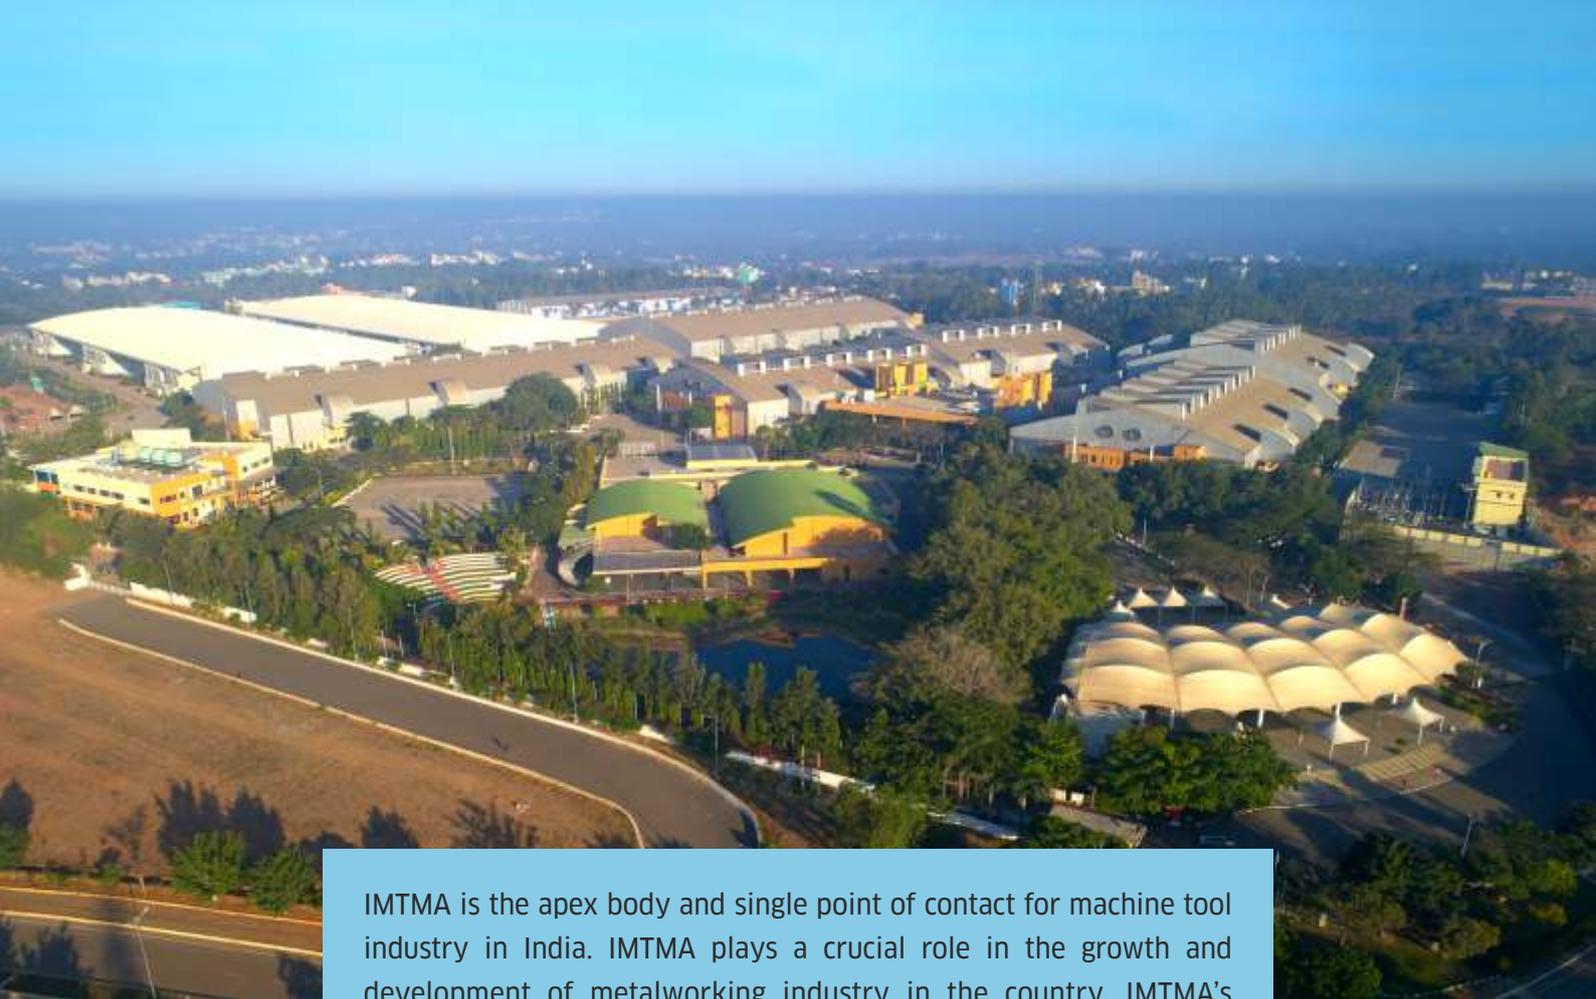

IMTEX is truly a one of its kind exhibition. I am a regular participant in the show and have seen it growing from edition to edition. It's an excellent platform to learn about the technological advancements from all over the world.

Milind Kulkarni,
Managing Director,
Kulkarni Transpower Pvt. Ltd.

Impressions

IMTMA is the apex body and single point of contact for machine tool industry in India. IMTMA plays a crucial role in the growth and development of metalworking industry in the country. IMTMA's initiatives range from policy advocacy, export promotion, trade fairs, mega events, training, seminars, technology missions, publications, etc. IMTMA formed in 1946 has a membership of over 450 members and represents 90% of the organized machine tool and allied equipment manufacturers in the country.
