International Exhibition on
Digital Manufacturing Technology

19 - 23 January 2024
BIEC | Bengaluru

Exhibiting at the Digital Manufacturing Pavilion provides your company with a unique business platform to showcase your services, products and expertise to manufacturing professionals visiting the show.

IMTEX FORMING 2024 hosts state-of-the-art Digital Manufacturing experiences

IMTEX is one of the leading machine tool and manufacturing technology exhibitions in the world. The show focuses on metal forming technologies, tooling systems, machine tool accessories, metrology and CAD/CAM.

IMTEX is an excellent platform for exhibitors to showcase trending technologies and connect with varied manufacturing industry professionals to network and enhance business opportunities.

Digital Manufacturing is being held as a concurrent show along with IMTEX FORMING 2024 with a focus on Additive Manufacturing / 3D Printing and evolving Industry 4.0 concepts. Exhibitors will also display robotics, automation, modelling, simulation, data analytics, 3D Printers, IoT, AI, AR/VR and sensorization amongst others.

Success of Digital Manufacturing at IMTEX FORMING 2022

The Digital Manufacturing Pavilion at IMTEX FORMING 2022 presented real-time solutions in additive manufacturing and industry 4.0 to receive an overwhelming response from industry partners, stakeholders, speakers, delegates, exhibitors, and visitors.

IMTEX FORMING 2022 Key Highlights

350
Exhibitors

25,656
Number of Visitors

Approx. **33,000 Sqm.**
Exhibition Space

Exhibitors from
19 Countries

International Associations
from **5 Countries**

Participation from
7 Partner Associations
/ Institutions

Trade delegations from
250 Companies

Orders Booked
Approx. **₹ 500 Crores***

Enquiries Generated
Approx. **₹ 4,600 Crores***

**As reported on the last day of the show*

EXHIBITOR PROFILE - Digital Manufacturing Exhibition

Industry 4.0 - Hardware

- Communication & Networking
- Data Acquisition Hardware
- Guided Vehicles, Smart Handling & Automation Systems
- Humanoid / Cooperating Robots (Cobots)
- Networking and Communication Hardware, IoT Devices, Sensors and Components
- Smart Mobile Terminals, Vision Systems
- Industry 4.0 hardware, any other

Software

- CAD / CAM / CAE
- Communication - Blue Tooth, NFC, etc
- Data Analytics, Cloud Services
- ERP
- Industry 4.0 Integrated Systems, Internet and Data Security
- Smart Factory Solutions
- Artificial Intelligence / Augmented / Virtual Reality
- Simulation, Digital Twins
- Digital Manufacturing Software, any other

Additive Manufacturing

- Additive Manufacturing / 3D printing Machines
- Fused Deposition Modelling, Selective Laser Sintering
- Technologies and Services
- CAD / CAE software in Additive Manufacturing / 3D printing
- Scanning, digitization, metrology and Inspection equipment
- Metal Moulding and Tooling
- Hybrid Process

and more...

NOTE: This is not an exhaustive list. Exhibits in any aspect of Digital Manufacturing technology are welcome.

Digital Manufacturing, the Future is Now

Evolving Industry 4.0 concepts, 3D printing, big data, artificial intelligence, robotics, cobots and the like are ushering in the next wave of manufacturing development by several notches. Improvements in productivity have already been witnessed with the implementation of automation and digital technologies in conventional manufacturing.

IMTEX 2024 & Tooltech 2024, scheduled to be held from 19 - 25 January 2024 has Digital Manufacturing as one of the concurrent shows. Exhibitors will showcase additive manufacturing as well as Industry 4.0 which will enable industries to transform businesses & offer customer-specific solutions to strengthen their value proposition and realign global positioning.

Reach a new target group
to meet visitors from...

-  Aerospace
-  Automotive
-  Construction
-  Defence
-  Electrical & Electronics
-  Energy
-  FMCG
-  Food & Beverage
-  Healthcare
-  Marine
-  Medical Equipment's
-  Metal Components
-  Parts Manufacturing
-  Research & Development
-  Tele-communication
-  Textiles
-  Ship Building
-  Plastic Manufacturing
-  Industries

Participate & Gain Advantages

- Exhibit in one of the leading global machine tool and manufacturing technology exhibition with a history of more than five decades
- Special pavilion focusing on Digital Manufacturing
- Showcase live technologies to large spectrum of manufacturing professionals
- Connect directly with large number of trade delegations representing various industry sectors
- Meet new prospective buyers from India and 50+ countries
- Be among the top global manufacturing technology solution providers and increase your brand identity
- Get noticed through extensive marketing campaigns
- Take advantage of international buyer-seller meet
- Connect with potential buyers before the show through the digital registration portal

Indian Machine Tool Manufacturers' Association

Formed in 1946, IMTMA, today with 460+ companies, is the apex body of Indian machine tool industry and plays an important role in its development through various advocacy measures. IMTMA has set up institutions such as Advanced Machine Tool Testing Facility and Advanced Manufacturing Technology Development Centre, and worked closely with the government to set up a first of its kind machine tool park in Karnataka. IMTMA has been in the forefront of skill development through its Technology Centres in Bengaluru, Pune and Gurugram. Its flagship show IMTEX is one of the leading global machine tool exhibitions. IMTMA also organizes seminars, summits and regional expos to develop manufacturing industry. A state-of-the-art exhibition venue called Bangalore International Exhibition Centre (BIEC) set up by IMTMA acts as an ecosystem for the development of exhibitions and events in India.

Participation Cost

Space Charges				
Category	Upto 45 sqm		46 sqm and above	
	Raw Space Min. 24 sqm.	Shell Space Min. 12 sqm.	Raw Space	Shell Space
IMTMA Member Companies (in Rs.) (Members as on 31 March 2021)	Rs. 6,300 / sqm	Rs. 6,750 / sqm	Rs. 9,500 / sqm	Rs. 10,500 / sqm
Non-Member Indian Companies (in Rs.)	Rs. 7,000 / sqm	Rs. 7,500 / sqm	Rs. 11,200 / sqm	Rs. 12,200 / sqm
Foreign Companies	US\$ 200 / sqm	US\$ 220 / sqm	US\$ 295 / sqm	US\$ 320 / sqm

Open Side charges: 2 - 20% of space charges | 3 - 30% of space charges | 4 - 50% of space charges

*All participation guidelines will be governed by IMTEX FORMING 2024 Guidelines & Application
