

Resounding response for IMTEX 2017 and Tooltech 2017

IMTEX 2017 and Tooltech 2017, one of India's flagship trade exhibition was held at Bengaluru from January 26, 2017 to February 1, 2017.

An initiative of the Indian Machine Tools Manufacturers' Association (IMTMA), IMTEX is South and South East Asia's apex exhibition, showcasing the latest trends as well as technological refinements from India and other global players. The mega event attracts visitors from a wide spectrum of manufacturing and ancillary industries including key decision and policy makers as well as industry captains, who are keen to source latest technologies and manufacturing solutions for their product lines.

IMTEX 2017 and Tooltech 2017 was held at IMTMA's premises, Bangalore International Exhibition Centre (BIEC). To commemorate the occasion of BIEC's completion of 10 years, a new section, Hall 4, was inaugurated, as part of the exhibition.

Covering an area of close to 66,000 sqm., IMTEX 2017 and Tooltech 2017 saw over one lakh visitors, and 1100 exhibitors, from 22 countries including Germany, China, Czech Republic, Italy, Spain, Taiwan and the United States.

Innovation was the order of the day with hybrid machines, 3D printing, Industrie 4.0, and other high-end technologies being up for display and demonstration to give visitors a glimpse into what a futuristic outlook to machine tools entails.
