

### **Restarting Face-to-Face**

IMTEX FORMING 2022 will take us back to the pre-pandemic times and enlighten our hopes for a better near future. This is our machine tool and manufacturing technologies show, one which is needed for advancing India's manufacturing industries and we must support with massive participation as the competitiveness of our industries depend to a large extent on this show. Meanwhile, we have been continuing to talk about the safety aspects of everyone moving in to participate in the show. While much of the pandemic in this part of the world has receded, BIEC assures you of a safe and sound atmosphere during your stay in the venue. We are adhering to all the safety measures advised by the Government of India and the Government of Karnataka:

- ❖ Pre-registration to avoid crowding at registration counters.
- ❖ Entry for only fully vaccinated (2 doses).
- ❖ Verification of vaccination certificates.
- ❖ Compulsory face masks within BIEC premises.
- ❖ Social distancing within exhibition halls and other locations.
- ❖ Temperature screening at entry points.
- ❖ Digital payments

Transcending boundaries, we have companies from Austria, China, Czech Republic, France, Germany, India, Italy, Japan, Korea, Malaysia, Singapore, Switzerland, Taiwan, Turkey, UK and USA displaying products. Visitors from over 400 cities have pre-registered for the show. This surely is your time to crisscross paths...Make it Possible at IMTEX.
