Making it happen

Indian Machine Tool Manufacturers' Association (IMTMA) flagship exhibition 'IMTEX 2017 & Tooltech 2017' held at the Bangalore International Exhibition Centre (BIEC) attracted a footfall of 75,440 visitors. Orders worth ₹ 1,670 Cr and enquiries to the value of ₹ 18,989 Cr were generated during the exhibition. Compared to IMTEX 2015 the booked orders have shown an increase of 16% whereas the generated enquiries increased by 21%.

Inauguration

The exhibition was inaugurated on 26 January 2017 by Shri Siddaramaiah, Hon'ble Chief Minister of Karnataka. Mr. Girish Shankar, Secretary (HI), Department of Heavy Industry, Ministry of Heavy Industries & Public Enterprises, Government of India; Mr. D.V. Prasad, I.A.S., Additional Chief Secretary, Commerce & Industries Department, Government of Karnataka; and Dr. Naushad Forbes, President, Confederation of Indian Industry (CII). Mr. Jamshyd N. Godrej, Chairman - Exhibitions, IMTMA; Mr. P.G. Jadeja, President, IMTMA; Mr. P. Ramadas, Vice President, IMTMA; and Mr. V. Anbu, Director General, IMTMA also presided over the inauguration

The IMTMA-Premier Outstanding Entrepreneur Award in memory of Vinod Doshi was given in the inaugural function. Mr. Milind Kelkar and Mrs. Mohini Kelkar, from Grind Master won the award.

During inauguration, IMTMA released new publications: IMTMA Directory of Members 2017, Guide to Indian Machine Tools 2017, Comprehensive Report on Indian Metal Cutting Machine Tools and IMTEX 2017 Exhibition Catalogue.

Outline of the Exhibition

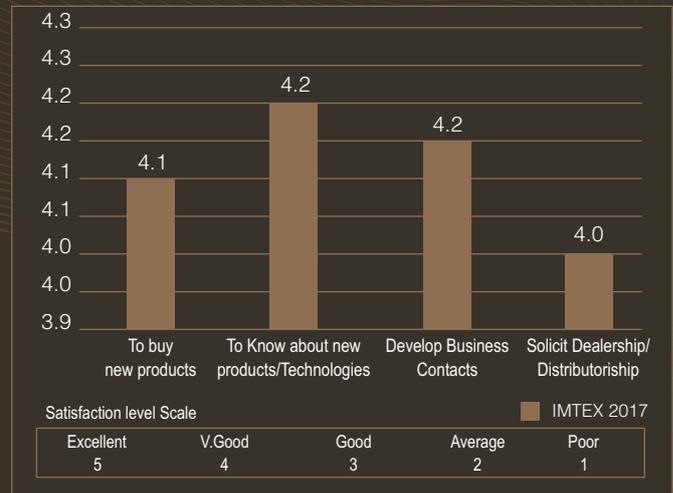

Organizer	Indian Machine Tool Manufacturers' Association
Venue	Bangalore International Exhibition Centre
Total Number of Exhibitors	1072
Number of Indian Exhibitors	601
Number of Foreign Exhibitors	471
Gross Exhibit Space	66,000 square metres
Participating Countries	23 countries: <ul style="list-style-type: none"> • Australia • Austria • Belgium • Brazil • China • Czech Republic • France • Germany • India • Israel • Italy • Japan • Korea • Serbia • Singapore • Spain • Switzerland • Taiwan • Thailand • The Netherlands • Ukraine • United Kingdom • United States of America
Group Participation	7 countries: <ul style="list-style-type: none"> • China • Czech Republic • Germany • Italy • Japan • Spain • Taiwan • USA
International Visitors	50 Countries
International Associations	Nine Associations: <ul style="list-style-type: none"> • AMT- The Association for Manufacturing Technology, USA • CECIMO (European Committee for Cooperation of the Machine Tool Industries) • Japan Machine Tool Builders' Association (JMTBA) • KOMMA (Korea Machine Tool Manufacturers' Association) • MTA - The Manufacturing Technologies Association, UK • Taiwan Association of Machinery Industry (TAMI) • UCIMU (Ucimu – Sistemi Per Produrre Italian Machine Tools) • Robots and Automation Manufacturers' Association • VDW (German Machine Tool Builders' Association)
Trade Delegations	<p>Public Sector Undertaking:</p> <ul style="list-style-type: none"> • Bharat Earth Movers Limited • Bhabha Atomic Research Centre • Bharat Heavy Electricals Limited • COFMOW (Railways) • Diesel Locomotive Works, Government Tool Room & Training Centre • Hindustan Aeronautics Limited • Indian Railways • Laghu Udyog Bharati, Ministry of Defence • Ministry of Railways • Ministry of Railways - Diesel Loco Modernisation Works • National Aerospace Laboratories • Naval Science & Technological Laboratory (DRDO) • Ministry of Defence • Ordnance Factory Board; Research Development & Manufacturing Corporation • Small 7 Medium Enterprises Development Authority • Southern Railway <p>National Associations:</p> <ul style="list-style-type: none"> • Automotive Component Manufacturers' Association • Tool & Gauge Manufacturers Association • Tractors and Farm Equipment Limited <p>Private Companies:</p> <ul style="list-style-type: none"> • Ashok Leyland Limited • Bajaj Auto Limited • Bosch Automotive Electronics India Private Limited • FESTO India Private Limited • Hero Motocorp Limited • Honda Cars India Limited • Mahindra & Mahindra Limited • Rane Group • Tata Motors Limited • Toyota Kirloskar Auto Parts Private Limited <p>International Delegations:</p> <ul style="list-style-type: none"> • 600 UK Limited (United Kingdom) • KAAST Werkzeugmaschinen GMBH (Germany) • Jatake Electric (Indonesia) • PT Hansjaya Mesinary (Indonesia) • PT ACL Sheet Metal (Indonesia) • Tecnum Service (Mexico) • Cientec S.A. De C.V. (Mexico) • Spectrographic (United Kingdom) <p><i>Note: The list is illustrative</i></p>

BIEC, Bangalore Traffic Department and Traffic Warden Association conducted Safe Driver workshop. 400 drivers participated.

Expressions

... A prosperous future

“ The first time I visited this venue, it was still new and much smaller, but looking at the glowing eyes of the men running the show, I knew they would have a prosperous future. ”

Dr. Andreas Gruchow

President – UFI and Member of the Managing Board, Deutsche Messe AG

Good Focus on Machines and Metrology

“ Ordnance factory produces arms and ammunitions. We are using many CNC machines. Now, we are looking at modernizing our factories wherever possible. IMTEX is the right platform to see whatever latest machinery is available in the market. My experience was quite satisfactory. I saw technologies such as integration of gauging systems with the machining systems, high-end accuracy machines and several modern measuring instruments. ”

Vijay Kumar Ghadge,

Joint Director, Ordnance Factory Board, Kolkata, Ministry of Defence, Govt. of India

The Best Place for Contact Development

“ We are soon organising a Technology & Innovation fair for our industries in Mauritius. Through IMTEX, I was able to gain access to Indian suppliers of machinery and tools. I am highly satisfied. IMTEX 2017 has created a very good platform for all segments related to machine tools. I thank the organisers as it has been very nicely organised. It is very easy to move around, meet people and conduct B2B meetings. ”

Phalraj Servansingh,

Managing Director, Small & Medium Enterprises Development Authority (SMEDA), Mauritius

IMTEX is the Best Platform for Technology Tracking

“ We market and service machine tools. So, we need to keep track of the changes in the machine tools' world. IMTEX is the best platform for this niche field. Every time I come to IMTEX to watch the recent technological developments in the machine tools' field. The way technology is advancing, for every user, seller or designer, it is important to keep track of the new developments. IMTEX is the best platform for this. ”

P. R. Bhowmik,

Vice President, MACO Corporation (India) Pvt. Ltd., Kolkata

Bangalore Mirror
Tool park to boost investment, jobs
The proposed Machine Tool Park at Vasanthi Nagar in Tumkur district, a joint venture between the Union and State governments, is coming up on 500 acres, and is expected to boost domestic turnover of machine tools and save foreign exchange and reduce imports, besides creating more than 4,000 jobs in manufacturing and administrative fields, said Chief Minister Siddaramaiah while inaugurating Indian Machine Tool Exhibition-2017 and Tool Tech-2017. He said his government was going all out to attract investments by creating necessary infrastructure. The Bengaluru-Chennai Industrial Corridor, expansion of Kempegowda International Airport are some of the major steps in this regard.
